Healing Stages

**Day 1**  
My Permanent Makeup is perfect! I am in love!

**Days 2-5**  
Wow! My Permanent Makeup is dark. Does this look crazy?

**Days 5-10**  
Oh no! My Permanent Makeup is flaking off!

**Days 10-15**  
Now my Permanent Makeup is too light! WTH?!

**Days 15-30**  
My Permanent Makeup is back, baby! But, is it a little patchy?

**Touch-up Day**  
My artist addressed all my concerns and my Permanent Makeup is better than ever! I love it so much!

# AFTERCARE

## Brows

- Day of your appointment, **blot your brows every 30 mins** - 1 hr with a clean tissue and light pressure.
- Days 2-14: Cleanse your brows **once a day** with the cleanser provided by your artist.
- After cleansing, **use a q-tip to apply a grain of rice size amount of the healing balm** provided by your artist to each brow. Apply the healing balm 1 to 2 times a day.
- **Avoid excessive sunlight, sweating, excessively hot water**, and picking/scratching at your brows.
- Wait at least **2 weeks after your appointment** for facials, peels, botox, makeup, skincare products in the brows.

## Lips

- Day of appointment: **Avoid spicy foods, whitening toothpaste, and use a straw when drinking.**
- Days 1-7: **Wipe lips with a clean, moist tissue** several times a day.
- Days 1-7: Apply aquaphor to the lips liberally.
- Days 1-7: Avoid excessive sunlight, sweating (**low impact workouts please!**), excessively hot water as this can open the pores and push out color, and picking/scratching at the lips.
- Wait at least **2 weeks after your appointment** for facials, peels, botox, filler, makeup or any skincare products on the lips.

## Eyeliner

- Day of appointment: **1 hour after your appointment, use an antiseptic wipe.** Use wipe again before bed.
- Days 2-14: **Dry heal your eyes/lash line.** Avoid excessive sunlight, sweating (**low impact workouts please!**), excessively hot water as this can open the pores and push out color, and picking/scratching at the eyes/lash line.
- Wait at least **2 weeks after your appointment** for facials, peels, makeup, lash extensions, lash lift/perms, lash growth serums, and/or any skincare products on the eyes/lash line.
